

REMARKS

First, Applicants would like to thank the examiner for the notice of allowance of February 6, 2007. The issue fee and publication fee are submitted herewith as required in order to move this application to issuance.

Additionally, in response to the Examiner's Amendment entered February 6, 2007 following a telephonic interview with Applicants attorney on November 20, 2006, Applicants have amended the specification to refer to the correct drawing references. These amendments to the specification address the examiner's concerns with regard to the drawings (by correcting the reference numerals to correspond to those in the figures). Accordingly, corrected drawing sheets should not be required. However, formal drawings are being submitted herewith for issuance.

Applicants further acknowledge and affirm the election (to claims 5-8 and 29-45) and the amendment canceling claims 1-4, 7, 9-28, and 46-51 and amending claim 8 in accordance with the telephonic interviews of November 14 and 20, 2006. The election and examiner's amendment have been noted within the current claim listing for convenience. Applicants also are submitting a divisional application herewith related to the non-elected claims (1-4, 7, 9-28, and 46-51).

As Applicants have fully addressed the outstanding matters noted in the Examiner's Amendment accompanying the Notice of Allowance of February 6, 2007, Applicants respectfully request that the present application now move to issuance with claims 5, 6, 8, and 29-45.

If the Examiner has any questions or comments or otherwise feels it would be helpful, please feel free to telephone the undersigned at (972) 731-2288.

The Commissioner is hereby authorized to charge payment of any fee associated with any of the foregoing papers submitted herewith to Deposit Account No. 50-1515, Conley Rose, P.C.

Respectfully submitted,

CONLEY ROSE, P.C.
